

INSTRUCTIONS: This worksheet will help you estimate your out-of-pocket costs using your SUNY Award Letter. Complete Tables 1-3 by locating the corresponding sections on your SUNY award letter and then transferring the values to this worksheet. For Tables 2 and 3, use the “Total” amounts rather than the semester amounts.

Table 1: ESTIMATED COST OF ATTENDANCE IN THE 2017-18 ACADEMIC YEAR (Source: SUNY Award Letter)

Costs	Direct Costs	Indirect Costs
Tuition and fees	\$ _____	\$ n/a
Housing and meals (direct cost if living on-campus; purchased meal plan)	\$ _____	\$ _____

Table 4: ESTIMATE YOUR OUT-OF-POCKET COST

Student Bill Component	Amount
Costs Billed to Student [Line A]	\$ _____
Total Grants and Scholarships [Line B]	\$ _____
Total Loans [Line C]	\$ _____
Annual Out-of-Pocket Expense³ [Line A - Line B - Line C]	\$ _____

³ Students are billed on a per-semester basis. Generally, you can divide the annual amount by two to estimate your per-semester out-of-pocket cost. If your out-of-pocket cost is negative, you will receive a refund. Consider reducing loans. Remember to also budget for indirect costs, like textbooks.
