Welcome to the Graduate School at Buffalo State! The contents of this handout describe the types of aid available to assist you with your graduate studies. The Financial Aid Office (FAO) is available to answer your questions in-person, over the telephone, or through email.

How to Apply for Financial Aid
Students enrolled in an eligible program (see reverse) may be eligible for federal financial aid. To apply for federal aid, file the Free Application for Federal Student Aid (FAFSA) annually at www.fafsa.gov. Buffalo State’s federal school code is 002842. New York State TAP is only available to students in a teacher certification program taking undergraduate coursework.

Maintaining Eligibility for Federal Aid
Students that use federal financial aid, including loans, must comply with Satisfactory Academic Progress (SAP) rules to maintain aid eligibility each semester. Buffalo State reviews SAP after each semester. SAP consists of the following three components:

1. GPA: Graduate students must maintain a minimum overall GPA of 3.0.
2. Pace: Graduate students must successfully complete 66.67% of all courses for which they register. Courses not completed, failed, or withdrawn from negatively affect pace.
3. Maximum timeframe: Graduate students must be able to complete their program of study within 150% of the published program length, as measured in credit hours. For example, a student enrolled in a degree program that requires 30 credits to graduate must be able to complete the program within 45 credit attempts. Students cannot appeal the maximum timeframe standard for any reason.

Students that do not meet GPA or Pace standards will be placed on Financial Aid Warning for one semester. Students may receive federal aid during their warning semester, but must meet all the SAP standards at the conclusion of the warning semester or else forfeit future aid eligibility. In exceptional cases, students may appeal to have their aid reinstated for one semester if they fail to meet the GPA or Pace standard after their warning semester.

Tips to Stay on Track!

► **Required Coursework:** Enroll only in courses **required** for your program of study. Note that graduate students are not permitted to receive federal aid for undergraduate coursework (exception: teacher certification students).

► **Changing Majors** may result in your ineligibility for federal aid. Consult with the FAO before changing your major.

► **Federal Loans** require students to enroll in a minimum of six (6) credit hours of required coursework each semester to maintain eligibility.

► **Meet with your adviser** before you complete 12 credit hours and use Degree Works to monitor your progress toward graduation.

► **Monitor Banner and your Buffalo State email** account regularly.

► **Textbook Deferments** are available to students that have more financial aid than their charges. Apply a few weeks before each semester in Banner or at the FAO.

Additional Resources

► **Cost Calculator:** A web-based tool to help estimate your costs. financialaid.buffalostate.edu/costs

► **SUNY Smart Track Financial Literacy Program:** A free online program to learn about managing your personal finances.

► **Banner Navigation Guides:** Guides explain how to use Banner to review outstanding requirements and accept aid.

Eligible Programs through The Graduate School

Post-Baccalaureate Teacher Certification: Students with bachelor’s degrees who are matriculated into a teacher certification program may be eligible to borrow Federal Direct Subsidized and/or Unsubsidized Loan funds even though they are not actually pursuing a degree. Maximum loan limits are $12,500 for the academic year for an independent student and $5,500 for the academic year for a dependent student. A student may be eligible for TAP if it was not exhausted as an undergraduate student and they are registered full-time (12 or more hours) in undergraduate coursework. Teacher certification students are not eligible for Graduate PLUS loans or TEACH Grants. The chart below displays which aid types are available to teacher certification students.

Graduate Pre-Major: Students admitted into a pre-major status may receive up to $12,500 as an independent student and $5,500 as a dependent student in Federal Direct Subsidized and/or Unsubsidized Stafford Loans. Students required to take graduate level coursework in the pre-major status may receive loans for one semester. Students admitted into a pre-major status to take undergraduate preparatory coursework have 12 consecutive months of loan eligibility. Preparatory coursework does not include courses taken solely to raise one’s grade point average and/or to meet graduate admission standards. For students not eligible for a Federal Direct Stafford Loan please see the Financial Aid Office for information on private student loans. The chart below displays which aid types are available to students in a graduate pre-major status.
